

West Country Marquees supply stunning Marquees for Weddings, Corporate Events & Parties throughout the UK.

We pride ourselves on attention to detail to provide you with the perfect Marquee for your event.

Internally, we can fit our Marquees out to meet most theme & colour requirements and use various national sub-contractors for items such as Luxury Toilets (right), Furniture, Heating & Generators.

We always try to erect our Marquees as early as possible to provide you with plenty of time to make those finishing touches for your event, and, are always available should you wish to make minor changes.

**New for 2010** ~ We have now added Board Sub-Flooring, Lighting options including Rope Lights, Bay Trees, Cream Sofas, Clear Window Walls (below left) & a Dividing Curtain (below right) which is ideal for separating off a Dance Floor section with Starlight Linings to reveal at your chosen moment!

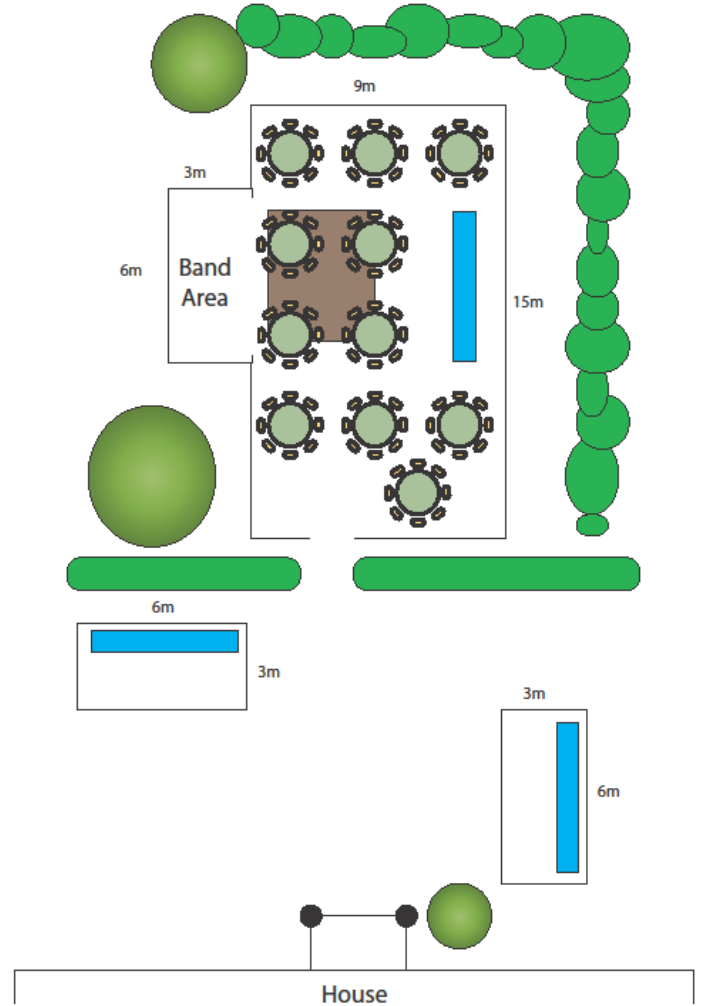

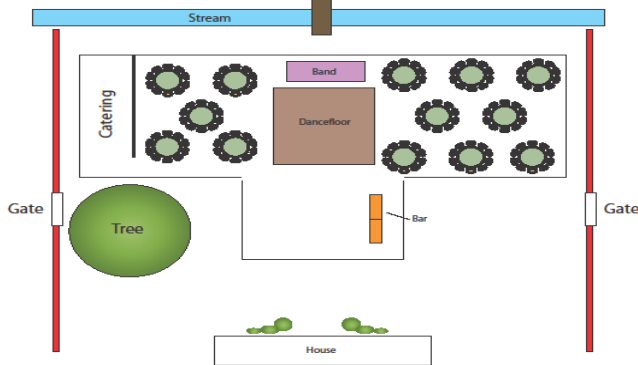

# West Country Marquees

After providing an initial quotation to give you an idea of the likely costs, we are happy to offer free site visits.

Site Visits are an ideal opportunity for you to view our portfolio, for us to view the proposed site and then to discuss your requirements in greater detail.

We then revise your quotation if required and provide a layout proposal.

At West Country Marquees, we pride ourselves on our friendly, high level of service. We are contactable at anytime & little things such as having the person that provides your site visit present when your marquee is erected can really help make the whole process run smoothly.
